AAROHAN, A NATIONAL-LEVEL STEM OLYMPIAD

An exciting “Introduction to Aarohan” online workshop was conducted by students of BITS Pilani, one of India’s premier institutes. During the session, students were introduced to AAROHAN, a national-level STEM Olympiad designed by BITS students to test the curiosity and creativity of learners beyond textbooks.

Workshop attended by: Students of Classes IX–XII along with Science Department teachers

Key highlights of the workshop:

- ◆ Detailed briefing on AAROHAN Round 1 – exam format, types of questions, and other important details.
- ◆ Insights on how the Olympiad connects real-world science with innovation — with no extra preparation required!
- ◆ Guidance on how students can qualify for AAROHAN Round 2 and get an opportunity to experience the iconic BITS Pilani campus during APOGEE, the annual Techfest.
