Session Overview:

Choosing the right career path begins with awareness. An Online Career Awareness Program was conducted to introduce students to various academic and professional courses offered under AWES institutions, especially curated for the wards of Army personnel. The session aimed to help students explore their interests and align them with suitable career paths.

Key Highlights of the Session:

- Focused on AWES-affiliated professional institutions and the wide spectrum of courses offered.
- Detailed explanation of admission procedures, eligibility criteria and available scholarships.
- Stream-wise sessions were conducted for Science, Commerce and Humanities students.
- Encouraged students to make informed decisions and leverage the educational support provided by AWES.
- Emphasized early career planning and awareness to empower Army school students for future success.
