EXTRAMARKS WORKSHOP

Venue: Computer Lab
Presenter : Ms Vani Gupta

Participants: All teachers, including Balvatika teachers

Session Highlights:
1. Transforming traditional teaching into dynamic, interactive and NEP ready classrooms.
2. AI-driven preliminary tests to check concept clarity of students.
3. Vast content repository with 2-D and 3-D content on various topics.
4. Personalised student assessment
The session was highly interactive wherein the teachers actively participated and asked their queries.
