INDUSTRIAL VISIT TO DOMINOS

Venue: Domino's Outlet, Bahu Plaza

Organised By: Commerce Department

A group of 21 students of Class XII, comprising 14 boys and 7 girls, visited the Domino's outlet as part of their CBSE Project Work in Business Studies. The visit was conducted under the supervision of two teachers, Ms. Nisha Gupta and Ms. Jaspreet Kour.

Key Takeaways:

- Students gained **hands-on exposure** to core business operations including production, supply chain, marketing, customer service, and quality control.
- They observed **real-time functioning of a Domino's outlet**, such as order handling, hygiene maintenance, customer interaction, and timely delivery systems.
- The briefing by staff helped students understand **procurement of raw materials, inventory management, pricing policies**, and the **role of technology** in business operations.
- Interaction with the store manager provided insights into **franchise functioning, daily store management**, and practical application of classroom concepts, resulting in enthusiastic participation.
